49. A method according to claim 48 further comprising the step of accessing said shared data context by cooperating ones of said set of activities for sharing information purposes.

50. A method according to claim 35 further comprising the step of monitoring a level of information displayed in said distinct regions of said user interface.

51. A method according to claim 35 further comprising the step of managing said distinct regions of said user interface by a current activity.--

REMARKS

Applicant is amending the above-mentioned application by deleting originally filed claims 2 and 3 and submitting new claims 4 to 51 to further clarify the present invention as originally intended. Applicant maintains that no new matter has been added to the application by the foregoing claim amendments. Applicant submits that the above identified application is now in condition for allowance and early reconsideration of this application to that effect is respectfully requested.

The requisite fee for the additional claims is enclosed. The Assistant Commissioner is hereby authorized to charge any deficiency or credit any overpayment to Deposit Account 10-0447, reference 48906.2USPT(BAI).

Respectfully submitted,

JENKENS & GILCHRIST
A Professional Corporation
